Bolton's Story

Since 1980, Bolton General Trading LLC has been a trusted name in the automotive industry. With a heritage rooted in quality and service, we've evolved to meet the changing needs of our customers while maintaining our core values of integrity and innovation.

Gliptone's Story

GLIPTONE® car wax has been a Long Island, New York tradition of quality since 1947. Gliptone products have been built to protect cars and boats from some of the harshest existing elements and weather conditions on the planet including scorching hot summer sun and snow filled freezing winters. From city pollution and industry generated airborne pollutants to the sand and salt filled hurricane force winds of coastal environment. Local car owners understood that quality ingredients with quality process equal the finest products. Gliptone today, as then, continues to keep true their purpose developing and producing the finest quality products for today's automotive and marine industries. From soaps and de-greasers, World Class Leather Care products, to Carnauba based waxes, or high tech polymer sealants and ceramic coatings, Gliptone's emphasis on quality shines through. Today they bring their hometown process to your home. A secret this good cannot be kept; so give Gliptone a try and remember: "Try It Once, Use It Forever", that's been their motto since 1947.

Partner with Bolton for proven reliability, decades of experience, and a commitment to delivering only trusted, high-quality automotive products.

Together, we build long-term value through integrity, innovation, and customer-focused solutions.

CAR WASH SHAMPOO

Wash & Shine Bubbles: GAL-GT45601 / Pail-GT45605

100% biodegradable, ultra-sudsing soap with gloss enhancers. Offers premium lubricity to safely remove grime, leaving a bright, clean surface. High foaming and exotic fruit fragrance make it ideal for hand car washes. Use with a foam gun for enhanced effects.

Bubbles: GAL-GT43001 / Pail-GT43005

100% biodegradable soap. High sudsing, gentle, emulsifies grease, and lifts dirt without scratching. Ideal for hand and automated washes. Dilute 1:200 to 1:300.

SIMPLE SUDS: Pail-DE10405

Excellent foaming and detergency. Pleasant scent. Dilute by hand or through automated dilution equipment. Suggested dilution for optimum performance 90:1 to 120:1

Wash & Glow: GT0316(16oz) / GT0364(64oz).

Earth-friendly, 100% biodegradable, and pH neutral. Thick, concentrated solution with wax beautifiers and cleaning agents. Safe for all wax finishes. Non-spotting. Dilution up to 1:200

Precision Wash Mitts:

GT560, GT16900, GT17000, GT42200, GT43700, GT77700.

Foam Blizzard Foam Cannon

Foam Blizzard Foam Cannon Soap

16oz-GT44416 GAL-GT44401 Pail-GT44405

Foam Blizzard Foam Cannon Soap

16oz-GT44516 GAL-GT44501 Pail-GT44505

Foam Blizzard Shield Foaming Surface Protection

16oz-GT44616 GAL-GT44601 Pail-GT44605

These detergents create a uniform foam layer for safe cleaning of painted, glass, and plastic surfaces. They effectively remove road film and dirt while being safe for waxed and ceramic-coated surfaces. Foam Blizzard offers versatile dilution, and Foam Blizzard Plus adds a sweet aroma and enhances gloss and drying. Blizzard Shield features gloss enhancers and a berry scent. Choose Foam Blizzard for excellent cleaning while preserving your vehicle's surface integrity.

MULTIPURPOSE CLEANER

Purple Diamond Cleaner/Degreaser

A highly effective biodegradable solution. It can be diluted up to 30:1, making it economical and suitable for various surfaces and applications, including commercial, industrial, marine, and automotive cleaning.

EMERALD CLEAN Multipurpose Cleaner/Degreaser

Cuts heavy grease and soil on machinery, tools, carpets, fabrics, floors, vinyl, and most hard surfaces. Leaves a fresh spearmint scent. Dilutes up to 1:20.

Ultra Cleaner- Concentrate GAL- GT13801 / Pail-GT13805

A versatile cleaner/degreaser for interior and exterior use. Effectively removes tough dirt and stains from carpets, fabrics, vinyl, engines, and more. Ideal for crayon marks on windows. Highly dilutable and non-caustic.

MAXX CLEAN - HD INTERIOR CLEANER GAL-GT44001 / PAIL-GT44005

MAXX CLEAN effectively cleans vinyl, leather, carpeting, and upholstery, leaving surfaces clean and residue-free. It dilutes up to 20:1 and excels at lifting dirt and cutting grease. It also contains a deodorizer to keep interiors odor-free and helps prevent stains from reoccurring.

IN & OUT - HEAVY DUTY INTERIOR CLEANER

Safe and effective for vinyl, leather, carpet, and upholstery. Leaves no residue. Dilutes up to 10:1. Excellent for dirt and stain removal.

TIRE & RIM CLEANER

PRECISION TIRE & RIM GAL-GT17001, PAIL-GT17005

PrecisionClenz Tire&Rim is a premium, highly dilutable (up to 1:30) and effective cleaner for tires and wheels. It excels in wetting, cutting grease, removing tar, lifting dirt, and eliminating brake dust.

GT IRON EATER: GAL-GT16901, PAIL-GT16905

This pH-neutral iron remover features a gel formula that clings for better cleaning. It's safer than acid-based cleaners and minimizes unpleasant odors. The color indicator shows cleaning progress. Safe for car paint, glass, plastic, rims, chrome, stainless steel, and aluminum.

MEGTASTIK PLUS W/RIMGUARD GAL-GT15001, PAIL-GT15005

A powerful wheel cleaner that removes brake dust, road film, dirt, and rust without brushing. This non-Hydrofluoric acid formula offers lasting protection and a shiny finish. Simply spray on and rinse off. Pleasant scent. Not for use on uncoated, polished aluminum.

WHEEL WOOL BRUSH KIT ASSORTMENT KIT-GT92005 SINGLE-GT92725, GT92808, GT92818, GT92912, GT92918

It's perfect for removing road grime and brake dust, safe for all wheel types, and 100% metal-free. The dense synthetic wool microfiber prevents splatter, making it ideal for all wheel cleaning needs.

DRESSING

PINK SHINE – ECO SYSTEM FRIENDLY WATER BASE SYSTEM GAL-GT35001, PAIL-GT35005

This unique, ready-to-use formula is effective for all interior and exterior applications and works with most automated tire shine equipment. It's our most environmentally safe blend.

SUPER DRESS ALL – PREMIUM INTERIOR / ENGINE DRESSING CONCENTRATE GAL-GT36501, PAIL-GT36505

SuperDress-All is a high-quality, water-based dressing for interiors, exteriors, and engine compartments. It leaves a superb shine on dashboards, door panels, air vents, vinyl, and plastic trim. Dilutes up to 4:1 for economical use.

WET LOOK PREMIUM QUALITY DRESSING, VOC COMPLIANT GAL-GT33501, PAIL-GT33505

Wet Look is a premium VOC-compliant silicone dressing that delivers a high-gloss shine on tires, door panels, air vents, vinyl, and exterior plastic trim. It offers weather resistance for tires and rubber moldings, using advanced silicone technology and quality solvents. It features a pleasant scent without a petroleum odor.

DRESS ALL RTU - WATER BASED DRESSING - INTERIOR / ENGINE DRESSING PAIL- DE10605

Dress-All RTU is a water-based silicone dressing for interiors, exteriors, and engine compartments. It offers even coverage and a superb shine on dashboards, door panels, air vents, vinyl, and plastic trim.

TIRE SHINE APPLICATOR PACK (2PC)-GT1516

Foam pads evenly distribute tire shine, keep hands clean, and prevent mess. Reusable for professional results.

WAX & FINAL TOUCH

PLATINUM CREAM WAX GT1016 (16 oz)

#1 rated for new car finishes. Advanced Platinum Series™ formula with Dupont Zonyl and high-tech polymers. Provides a “non-stick” finish to repel acid rain, insects, and tree sap, maintaining showroom condition.

CERAMIC DETAIL SPRAY™ - GAL GT2401 / PAIL GT2405

Giptone's CERAMIC DETAIL SPRAY™ is a professional-grade, super-hydrophobic SiO2 surface coating. It offers mild cleaning, extreme gloss, and a long-lasting, slick ceramic finish that's resistant to debris and the elements with a simple spray and wipe.

BODY GLOSS WITH CARNUBA SPRAY & WIPE GLOSS ENHANCER GT2022 (22 OZ), GT2064 (64 OZ), GAL-GT2001, PAIL - 2005

Removes fingerprints, smudges, and dust while enhancing shine. Safe for all surfaces, it cleans and shines without scratching. Ideal for final detailing, it releases dust and wax from crevices. Perfect for show cars and can be diluted 50:50 as a lubricant for clay bars.

EXPRESS-IT PLUS HYDRO WAX GT26922 (22 OZ), GAL-GT26901

Express-It Plus is a sprayable wax that delivers a high gloss shine lasting several weeks. It works well with cotton or Softouch® microfiber towels after a car wash and won't streak when wet.

WAX & FINAL TOUCH

GLIPGUARD® EXPRESS GT2822 (22 OZ), GAL-GT2801

An easy-to-apply, high-gloss polymer sealant for wet or dry surfaces like metal, plastic, wood, and rubber. It doubles as a lubricant for clay-type products and creates a silky, protective gloss that resists dust and pollution. Suitable for multiple washes without leaving residue on black trim.

YELLOW CREAM WAX - LIGHT DUTY FINISHING GT28832 (22 OZ), GAL-GT28801

Gives new or used paint a showroom finish, restoring color and gloss. Contains Carnauba for a durable shine. Suitable for hand or machine use, it's perfect for express wax services.

THE ORIGINAL CARNAUBA PASTE WAX 10.5 OZ.- GT0110

Long-lasting, pure Brazilian Carnauba wax. Easy application and removal. Offers superior shine and protection without yellowing or build-up. Free from harmful chemicals. Safe for paint finishes, enhances shine with multiple coats.

CERAMIC PASTE WAX - GT3808 OUR CLASSIC WAX REINVENTED!

A premium blend of carnauba paste wax and advanced SiO2 polymers forms a durable, super hydrophobic, ultra high gloss protective barrier. Easy to apply, long-lasting superior protection from environmental and chemical contaminants exceeding all other leading brands. Safe for all paint finishes including clear coats. Can be used as stand-alone protection or as a "topper" for previously coated ceramic vehicles. Artisan crafted in small batches using only the highest quality ingredients.

COMPOUND & POLISH

POWER BUFF - SILICON FREE HEAVY-DUTY COMPOUND GAL- GT22201, GT22232 (32 oz)

A solvent-based, silicone-free compound that removes heavy scratches, paint defects, and oxidation, restoring clear coats or conventional paints to their original high gloss. Use with a variable speed polisher and foam or wool pads. Body shop safe.

PERFECT COMPOUND GAL- GT22301, GT22332 (32 oz)

This solvent-based, silicone-free compound uses traditional abrasives and synthetic leveling technology to remove moderate to heavy scratches, paint defects, and oxidation. It restores clear coats to their original high gloss and can be applied by hand, orbital buffer, or variable speed polisher with foam or wool pads. Milder than Power Buff.

EXTRA HEAVY BUFF CLEAR- WATER BASED SILION FREE COMPOUND GT22032 (32 oz)

Removes moderate to heavy scratches (1200-2000 grit), paint defects, and oxidation. It restores clear coats to their original high gloss finish without causing swirl marks. Suitable for use by hand, orbital buffer, or variable speed polisher with foam or wool pads. Body shop safe.

FOAM PAD POLISH GAL- GT21401, GT21432 (32 oz)

A silicone-free polish for the final buffing step with a soft foam pad. It delivers a dazzling gloss, removes buffer swirls, micro-surface imperfections, and oxidation. Contains no silicones or waxes—body shop safe.

GT PRECISION SERIES

EXTREME BUFF CLEAR- WATER BASED SILION FREE HEAVY- DUTY COMPOUND: GAL- GT22101, GT22132 (32 oz)

A this compound removes heavy scratches (1000–1500 grit), paint defects, and oxidation. Using synthetic abrasives, it restores clear coats to their original high gloss without scouring or swirling. Suitable for hand use, orbital buffers, or variable speed polishers with foam or wool pads.

GT PRECISION CUT HD GAL- GT23001, GT23032 (32 oz)

Removes 1500+ grit sandmarks from fresh and factory-cured paint. Highly effective for correcting heavy scratches, defects, and oxidation. Works excellently with rotary buffers or dual-action polishers using wool, foam, or microfiber pads. Only a small amount is needed for outstanding results.

GT PRECISION CUT GAL- GT23401, GT23432 (32 oz)

Utilizes Nano Ceramic Abrasive Technology to efficiently remove 1500+ grit sand marks or finer from fresh and factory-cured paints. Ideal for correcting heavy scratches, paint defects, and oxidation, it works well with rotary buffers or dual-action polishers using wool, foam, or microfiber pads. Only a small amount is needed for excellent results.

GT PRECISION FINISH GAL- GT24601, GT24632 (32 oz)

Nano Ceramic Abrasive Technology Precision Finish eliminates micro fine scratches, swirls, and holograms without fillers. It's ideal for achieving flawless paint clarity using foam or microfiber pads with a DA polisher or a low-speed rotary with finishing foam.

LEATHER CONDITIONER & CLEANER

LIQUID LEATHER CLEANER GAL-GT1201, GT1232 (32oz), GT1208(8oz) and LIQUID LEATHER CLEANER SPRAYABLE GT1217S (17oz)

GLIPTONE's Leather Cleaner safely cleans and restores leather, preserving its natural oils. It's pH balanced for durability and works best with GLIPTONE's Leather Conditioner, enhancing the original leather scent.

LEATHER CONDITIONER: - GT1101, GT1132 (32oz), GT1108(8oz) LEATHER CONDITIONER SPRAYABLE: GAL-GT1101S, GT1132S(32OZ), GT1117S (17oz)

Our Liquid Leather Conditioner revives and protects fine leather, restoring its natural beauty and resilience. It's easy to apply, replenishes natural oils, and makes leather more stain-resistant.

GLIPSTICK PEN/STAIN REMOVER: GT7118

Effortlessly removes pen, ink, scuff marks, crayons, and makeup from leather, vinyl, and plastic. Safe and instant on all leather surfaces.

LEATHER & TEXTILE CLEANING BRUSH: GT92550

Lasts 12X longer than a typical brush! Ideal for leather, suede, soft tops, textiles, plastic, and vinyl. Features extreme durability, organic bristles, a comfortable grip, real wood, and laser-engraved design. Handcrafted by expert Polish carpenters.

LEATHER & TEXTILE CLEANING BRUSH: GT92610

Ideal for corners and edges, this brush makes deep cleaning effortless and lasts longer than typical brushes. Perfect for leather, suede, textiles, plastic, and vinyl with extreme durability, organic bristles, and a comfortable grip. Handcrafted with real wood and laser-engraved design.

SPECIAL PRODUCTS

BODY CLAY BAR - 2 PACK - GT71220

SCENT FRAGRANT DEODORIZER CONCENTRATE

GT67208(8oz)MORNING BLOSSOM

GT66808(8oz) NEW CAR

GT67308(8oz) TOASTED COCONUT

GLIPTONE SCENTS APPEAL™ Fragrant deodorizers are superconcentrated. Dilute 15:1; each 8 oz bottle makes a gallon of potent deodorizer. For mild odors or air freshening, dilute up to 30:1. Non-toxic, these unique fragrances make your car smell showroom fresh, using patented technology to neutralize odors at their source.

LIQUID METAL POLISH

LIQUID METAL POLISH COARSE GT72616 (16oz)

LIQUID METAL POLISH MEDIUM GT72816 (16oz)

LIQUID METAL POLISH FINE GT72516 (16oz)

GLIPTONE's Coarse Abrasive Metal Polish is ideal for stripping and smoothing rough, oxidized, or corroded non-plated metals. It works like liquid sandpaper and should be followed by GLIPTONE's Medium or Ultra Fine Grade Polish for a brilliant shine. Do not use on mirror stainless, chrome, nickel, or plated materials. This polish contains no ammonia, acid, or water, making it easy to apply and remove, and it lasts twice as long as other polishes. It seals and protects with penetrating oils and waxes for a long-lasting shine.
